The history of perfumery is a history of human curiosity—of those who crossed oceans and followed spice routes in pursuit of a single rare ingredient, searching for what had yet to be discovered.

ScentXplore is that same desire, given form in New York City. Since 2019, it has brought together some of the world's most extraordinary voices — the artisans, the pioneers, the storytellers — into a single, unforgettable experience. ScentXplore is the first of its kind in the Americas.
